Residents complain

Sheriff to crack down on city troublemakers

By JIM CARRAVALLAH
Of The Roman Staff

A crackdown has begun on young rowdies in the southeastern section of Romulus.

Following last week's regular citizen's hearing before the Romulus City Council, Mayor Terry L. Troutt has ordered officers of the Wayne County Sheriff's Road Patrol to "be on the lookout" for teen-aged and young adult rowdies who have been plaguing the Meadows Subdivision near Eureka and Middlebelt roads.

"The people came to the council meeting Wednesday night to tell us of countless fights, rock throwing incidents and many incidents of destruction of property," Troutt said. "The residents say teens from Taylor visit friends in the Meadows and cause problems in Romulus."

"WELL, THE CITY ISN'T going to sit back and take it." Just two weeks ago the Romulus Roman carried one resident's story of burglars who broke into his home three times to take rugs and more than \$2,000 in household belongings.

The incidents took place only one week after Melvin Coon had bought the home in the Middlebelt-Eureka area. It is the first home he's owned.

After his problems Coon said he was looking for a place to live outside of Romulus. He added that he doesn't blame Romulus for his troubles.

"The city had Insp. (Robert) Sullivan from the sheriff's patrol hear the complaints last week," Troutt said. "He promised quick decisive action."

THE DAY following the hearing — which took place during the city council's regular monthly "citizen's

'Well, this city isn't going to sit back and take this.'

time" — Sullivan's patrolmen arrested several youths for willful destruction of property.

Those arrested were from Taylor.

The youths were held at the sheriff's road patrol headquarters until their parents picked them up.

"The city and the sheriff intend to enforce the curfews rigidly, and we're going to be getting lot of parents out of bed to claim their kids unless this stops," Troutt said.

THE MAYOR added that he will use the incident as more ammunition for getting his 1974-75 budget passed.

"I've proposed including funds to hire two full-time detectives and one full-time juvenile officer to handle problems such as these," Troutt added. "I doubt that the council will cut that portion of the budget now that this sort of a problem has come to a head."

Troutt included some \$112,000 in the budget to bolster police protection. The funds would be used to hire two detectives from the road patrol for 40-hours a week each and one 40-hour a week juvenile officer during the year.

Although the three would be retained by the road patrol, they would be assigned exclusively to duty in Romulus, the mayor said.

The council was scheduled to act on the budget last night.

Mayor urges citizens to call for assistance

Romulus residents, who want better police protection can help themselves, according to Mayor Terry L. Troutt.

Troutt yesterday said that "police protection only is as far away as the phone" for the residents of the city.

"Many people complain about slow response of the sheriff's department to problems in the community," Troutt said. "But then they admit they thought other residents called the sheriff, when in fact, no one bothered."

"THERE'S TOO much of a tendency in this city to shun involvement in an incident to avoid problems, and for that reason, the sheriff can't respond to all situations."

"When a citizen complains about a lack of police protection, I ask him if he bothered to call the sheriff at 721-

2222 to report the incident.

Troutt's statements followed last week's mass complaint about teen-aged and young adult vandalism and destruction of property incidents in Romulus' southeastern section.

Residents from the area, known as the Meadows, complained to the Romulus City Council that they are being plagued by a rash of incidents involving young members of the community and from the City of Taylor.

"I'M SURE the city and the sheriff can clean up the problem," Troutt said. "But the sheriff needs help."

"If a citizen sees an incident and a patrol car is needed, he should take it upon himself to call and make sure the

sheriff knows about it.

"The police aren't all seeing and knowing. One call could be the difference between a successful crime and ridding Romulus' streets of a problem."

"But it's up to the people to call." TROUTT ADDED that there is no need for a resident to give his name to the sheriff, if he fears reprisal following an incident.

"But the resident should realize that the sheriff has to catch a violator in the act before that person can be arrested," Troutt said. "It helps the sheriff to a great extent if there are citizens who are not only willing to call, but also to sign a complaint against a law violator."

Coach blames 'buses' for robbery at school

By JIM CARRAVALLAH
Of The Roman Staff

An athletic coach from Romulus High School has urged the Romulus Board of Education to consider seriously eliminating "activities buses" from the regular school district bus schedule.

Fred Coleman, coach of the Romulus High School baseball team, urged the board to abandon the buses, which give children staying after school for extracurricular activities a ride home, because of a late Monday robbery of the baseball locker room.

"The school district lost more than \$500 in goods and suffered \$200 damage at the hands of people I believe are students who stay behind after school because they have a ride home at 5:30 p.m. on the activities bus," Coleman said. "People have been staying to horse around in the halls and vandalize the school."

COLEMAN added that he filed a report with the Wayne County Sheriff's Road Patrol "with the names of people he suspects of doing this" shortly after Monday's incident.

"I'm convinced these aren't athletes," Coleman said. "There always are 10 or 15 youths wandering around the

People have been staying to horse around...

halls of the school after 4 p.m., kicking cans and making a lot of noise because there is no one around to supervise them.

"The hall monitors leave at 3:30 p.m. and most of the administration is gone at 4 p.m. The coaches are out on the field, fulfilling their responsibilities, so these people have the run of the place."

"I think the district should get the people, who have no

reason to be there, out of the building."

THE "ACTIVITIES buses" are two regularly scheduled runs from the school leaving at 4 p.m. and 5:30 p.m. daily to allow athletes and other students involved in after-school programs to participate without worrying about getting home.

"There used to be bus cards which each student who stayed behind carried,"

Coleman said. "But they aren't enforced."

Romulus Schools Assistant Supt. for Maintenance and Operation Thomas M. Janack said: "The school issued the cards to students but it's difficult to enforce their use."

"As soon as one child has to walk five or six miles home because he or she didn't have a card one day, the district gets phone calls for the next two weeks."

FRANKLY, the district doesn't want students walking home on narrow roads such as Eureka, Wayne or Inkster, so these students who stay after should have a ride home."

Coleman said: "Frankly, I'd like to see all the athletes off the activities buses, because when it gets around 5 p.m. on the practice field the athletes lose interest in what they're doing and worry about missing the bus."

"Any athlete who doesn't want to play bad enough to get his own rides shouldn't be in the program."

One school board member, Carl Morris, said: "The board gets it from both sides in incidents like this."

"FIRST THE SCHOOLS didn't have activity buses because they didn't have the

School board waivers on land leasing to city

Exchange would alleviate site's drainage problems

By JIM CARRAVALLAH
Of The Roman Staff

The Romulus Community Schools' Board of Education has given unofficial approval to a plan to deed more than eight acres of school property to the city government for a recreation area.

The board unanimously agreed in principal to giving 8.5 acres of land behind the Merriman Elementary School on Merriman Road north of Ecorse Road to the city's recreation program in exchange for city cooperation in relieving school district drainage problems on the site.

The action came after Romulus Mayor

Terry L. Troutt outlined his ideas concerning development of the property with two baseball fields, a pavilion and a tot-lot area.

"IT WILL BE a recreation site the school district can use during school hours and the city can use the rest of the time," Troutt said.

"It serves the district because Merriman school has its drainage problem corrected and in addition gets a play area."

Romulus School Supt. Robert McConeghy and a school board member, Carl Morris, both voiced concern over the proposal.

McConeghy questioned the safety of a park development because children aged five through 12 would have to cross the recreation area to reach school.

"The plan tentatively shows a parking area off of Span Street, where children now enter a walking path to the school," McConeghy said. "I question the wisdom of the development from an administrative standpoint because these children may have to go by an area where adults can gather in parked cars."

"It may prove to be unsafe."

TROUTT TOLD the superintendent that the city would fence off the recreation area when not under city supervision and turn the key to the lot over to the Merriman school administrator so it can be opened for youngsters at the school.

"The park is intended for use exclusively by

young people and their families," Troutt said. "It'll be closed when the young ones are in school."

The mayor added that the walkway the school district now maintains across the property will be relocated to the north or south of the property and fenced to protect the children.

Morris was concerned about future city administrations refusing to maintain the area near the school.

"WHO'S TO SAY in 20 years some administration in the city will come to the school board and tell us it has no recreation funds," Morris said. "So the park gets left in disrepair."

"I'd like a clause included in any agreement which allows the park to be seized by the school district if the city refuses to maintain it."

Troutt agreed with the idea. As part of the agreement, the board authorized the school administration to get together with the city's engineer, Morris Levine and Associates, to work out mutual drainage problems on the land.

"That way, there will be one person responsible for all the drainage, and the school administration will know where to go if it doesn't work," said a school board member, Jack A. Bath.

Party marks anniversary of business' opening date

The owner of a Belleville service station celebrated his first anniversary as a member of the city's business community with a party, in which 185 persons, including local governmental leaders and prominent businessmen, attended.

Ed Engel, 39, owner of Ed's Union 76 Station, located at 25 Main St., gave the party to celebrate his first year in business in Belleville and to thank his many customers for their business.

The party offered dancing to a five piece combo, "The Bobcats," and other activities. It was held at the Polish National Alliance Hall. Among the highlights at the party was the presentation of an American flag, that had flown over the U.S. Capitol Building in Washington, D.C., by U.S. Congressman William D. Ford (D-15th District).

Engel, who lives at 745 E. Huron River Dr., Belleville, said the party was one way of

showing his appreciation to city and township officials, as well as area residents, for their support in the operation of his gasoline station.

Engel said the American flag, received from Congressman Ford, will be displayed at the station daily along with the state flag.

Assistant welcomes questions

A consultant for the Wayne County Intermediate School District urges area school districts to accept the opportunity of demonstrating accountability.

"Accountability in education should be welcomed as an opportunity to demonstrate successes and document the fact that educators are doing the job they are being paid for, and doing it well," said Leonard Jensen, intermediate school district systematic studies consultant.

Jensen, formerly the director of evaluation and planning for the Wayne-Westland Community School District, assists educational personnel in the county's 36 local school districts with the design and evaluation of educational studies.

Accountability in education appears to be a process where authority and responsibility is specified at all levels of decision-making, Jensen said. The nature of the process tends to vary according to the beliefs, attitude and values of the group that develops a particular model.

Car sales slump should end with easing of oil embargo

By JIM CARRAVALLAH
Enterprise Roman
Auto Writer

Henry Ford II, chairman of the board for the Ford Motor Co., told stockholders last week that "With the oil embargo ended and gasoline in reasonably good supply, the worst of the slump in vehicle sales appears to be behind us."

Ford told the stockholders that trends in sales in the industry show that car sales improved from an annual rate of nine million in January to 9.2 million in March and April while truck sales increased from a 2.5 million estimated rate in January to almost three million anticipated sales in March and April.

Sales boost

In an effort to continue boosting sales, Ford and General Motors gave "mild support" to new federal regulations requiring gasoline stations to sell unleaded gasoline this fall.

Spokespersons from both companies had voiced concern over what appeared to be short supplies of unleaded gasoline earlier in the year. The 1975 models, which will come out this fall, will require unleaded gas to function effectively.

However, industry spokespersons were fearful that not enough unleaded gasoline was being manufactured to meet the needs of 1975 cars.

Now, the Environmental Protection Agency has ordered 110,000 stations in heavily populated sections of the country to provide unleaded gasoline.

Motor homes

Chrysler Corp. has begun production of motor home chassis.

Automotive roundup

The Warren Truck Assembly plant is expected to be building 50 units per day starting today.

The production marks the first time since December that the company has built motor homes.

'Expo '74'

Visitors to the Ford Motor Company's exhibit of "Expo '74" in Spokane, Wash., can see a "touch of Wayne" during their tour.

Display and Exhibit Co. of Wayne constructed a background for Ford's "Sharing the Environment" exhibit at the fair.

The exhibit shows how man relates to his surroundings from a standpoint of the mobility and portability which Ford products help provide, a company spokesman said.

Wheelchair

Ford's engineers recently have developed a wheelchair that will enable physically handicapped persons to get into and out of automobiles without assistance.

The chair has been installed in a subcompact Pinto model.

The modifications include "assist" grips attached to the inner roof rails over the doors, a safety strap to help drivers brace themselves and alterations to the front seat and seat track to enable handicapped people to enter their automobiles and stow their wheelchair easily.

The company worked on the project in conjunction with American Safety Equipment Corp. of New York.

Five legislators get citizen praise

Five of the area's six state legislators were praised by the citizens' lobby "Common Cause" for disclosing at least part of their financial status in answer to a questionnaire.

Selected for praise by the group were State Senators David A. Plawecki (D-12th District), William Faust (D-13th District) and Carl A. Pursell (R-14th District).

Along with them, State Reps. William R. Keith (D-33rd District) and John F. Markes (D-36th District) were recognized for voluntarily answering the questionnaire.

The citizens lobby sent the inquiries on financial standing to all state legislators nearly

two months ago. Thirty-nine of the 148 legislators in the state answered the form.

The announcement came on the heels of Faust's voluntary disclosure last week of the earnings of the "Sen. Bill Faust's Birthday Bash."

prices of North American-built cars and trucks an average of 2.4 per cent to offset "unprecedented cost increases experienced by the company in recent months."

Cost increases range to an average of \$113 per unit. The company cited in-

creased costs of \$214 in materials as the reason for raising prices.

Ford's move follows Chrysler's \$122 price increase announced May 1, and American Motors' recent \$50 increase.

General Motors, which leads the industry with increases of \$251 since the end of 1973, has not decided whether to raise prices again after the Ford announcement.

BATH HAD suggested that the two governmental units retain the same engineering firm.

"Troutt said the board's decision was wise "because the board takes care of its problems while helping all the citizens.

"The city has a piece of land under consideration near the school site for a park area," Troutt said. "The owner wanted \$75,000 for 23 acres of land.

"If the city had purchased that property, it would have a larger park, and the school still would have to work out the drainage problem on the Merriman site.

"I think this way, both the city and the school district are using the taxpayers' money wisely."

WILLIAM CHAPATON

He wins contest in state

One Wayne County Sheriff never gets an argument when he hands out a citation.

He's Ptrl. William Chapaton, the recent winner of the "Mr. Michigan" contest. A nine-year veteran of the force, Chapaton who is 5-foot, 9-inches tall, weighs 182 pounds.

Those pounds are packed inside a 49-inch chest, a 29-inch waist and 19-inch biceps.

The 33-year-old veteran officer has been practicing weight lifting and body building since he joined the sheriff's road patrol. In his off-duty hours, Chapaton has been known as "Mr. Midwest," "Mr. Southeastern Michigan" and "Mr. Apollo."

He will enter the "Mr. America" contest scheduled for this summer in the hopes of adding another title to his list.

And for those women in the Romulus area who wouldn't mind going out with "Mr. Michigan," forget it. Chapaton is married and the father of two children.

City may back school millage in exchange for use of pool

The Romulus Community Schools' Board of Education may receive city support for a proposed 3.25 mill package for constructing a swimming pool, providing the city administration receives certain assurances.

Romulus Mayor Terry L. Troutt told the board of education that "if you (the board) can guarantee the pool will be for all the citizens of the city, I'll back the proposal."

Troutt said: "I believe it's a lack of communication on the pool proposal which gets it

defeated every time it comes before the people.

"BUT IF YOU (the board) inform the city, possibly by an informal memorandum, that times will be set aside for recreational uses of the swimming pool, I'll back the proposal 100 per cent."

Romulus School Supt.

Robert McConeghy said: "The pool always had been intended to be a total recreational facility and not just a facility set aside for the school."

"The board already has had a preliminary discussion on how it can be a community pool and as far as discussing a

plan for its use, I see no problem.

McConeghy said he would have "preliminary information" on the proposal before the board at the next regular meeting.

"THE SCHOOL administration has to work on this one," McConeghy said.

"The last time it (the pool proposal) was before the voters it went down 4-1."

The school board president, Diane L. Boger, said the district may have a "better chance" at getting the millage passed this time.

"Before the district attempted to get a bonding approval," Mrs. Boger said. "This time it asked for millage without bonds, so it can save the interest on the payment."

"In the long run the district will save money."

funds, and the people complained.

"Now the buses run and there still are complaints. "What does the board do about students who want to stay behind but live at Pennsylvania and Hannan Roads? Don't they have a right to participate?"

Coleman responded by saying: "This is the only system I know of that runs activity buses for the students."

"I WALKED to school when I wanted to play sports and I think others should do the same."

"If it's raining, I'll take a

student home, but for the most part, I believe they should be responsible and mature enough to arrange their own transportation."

Duane Martin, a resident of the city, added: "I don't believe cancellation of the buses to be a deterrent to crime."

"I walked when I played sports, but girls have the opportunity to participate in activities now, and you may be depriving them of that right

by eliminating the buses. "I think the board should weigh the facts before making any decision to avoid hurting anyone."

By law Troutt was required to dispose of the lounge after being elected mayor last November.

If Nixon quits...

Resignation will derail judicial process

By MITCH KEHETIAN
Enterprise-Roman Editor

The Democrats proclaim: "Resign or face impeachment..."

And Republicans proclaim: "Resign for the good of the country and the party..."

Two weeks ago Congressman William D. Ford, a 15th District Democrat, told the First Friday Club of Western Wayne County that an impeachment trial was the only way to clear the air.

AND IN THIS case, we agree with Ford. The congressman stressed "He (Nixon) will never resign. You'll have to drag him out of the White House..."

The growing demand for the President's immediate resignation has been increasing since releasing the Watergate transcripts.

National television news commentators and newspaper columnists proclaim "He's a foul-mouthed man and should be removed from office."

IF THE PRESIDENT should be removed from office because of his so-called foul mouth, which according to the Watergate transcripts, took place in private discussion,

'...does not the highest office in this Democracy deserve the same right?'

then the whole nation would come to a grinding halt.

Several months ago we said the President should not resign because of his Presidential responsibility. And we would hope he continues to remain firm in refusing to resign.

A resignation proves nothing. If the President has committed impeachable crimes against the Constitution and the office he holds, as is being charged, then let's get on with an impeachment trial in the Congress.

IT SEEMS TO me that those who proclaim that the President has violated all public trust, now want to deny the President of the United States his entitled due process of law.

When Congressman Ford spoke before the First Friday Club, he stressed his faith in the American system...despite the Watergate tragedy.

I too have faith in the due process system, and I believe we can survive an impeachment trial. But a Presidential resignation could destroy this system we hold so dear.

WHEN SPEAKING before an industrial session in Chicago last week, Vice President Gerald Ford said he believes a President can be impeached only for treason, bribery, high crimes and other misdemeanors.

The vice president also repeated that President Nixon should not resign and that he

believes from the evidence that Nixon is innocent of any impeachable offense.

Then came the statement from Sen. Richard Schweiker of Pennsylvania, released after the senator sent a letter to the President. In that communique, Schweiker said the conversations emanating from the edited transcripts "will inevitably destroy your capacity to lead our nation effectively for the remainder of your term."

IF THE SENATOR'S assessment is accurate, then let's set a target date for the impeachment proceeding against the President.

The Congress can do wonders when it

wants. Last year it rammed through legislation in record time to get sell-out professional football games on television. That was a crisis?

The tragedy of Watergate is sickening, but I have faith that our system will survive. I also have faith that our system will survive an impeachment trial - whatever the outcome.

BUT OUR SYSTEM will shatter should we force the resignation of a President without ever having gone the trial route.

And we agree with an editorial comment taken from the Phoenix, Ariz. Gazette: "Resignation of the President of the United States would inflict a mortal wound on the republic...Whatever else might be said about Mr. Nixon, he deserves credit for continuing to face his accusers...Let them get on with it. Impeach the President or get off his back."

If we can guarantee a suspected criminal his day in court, does not the highest elective office in this "democracy" deserve the same due process of law?

As we see it

Local government listens and enforces

Belleville residents who turned out for last week's city council meeting to complain about the conditions of their properties—through no fault of their own—found that city government will listen, and act accordingly.

The issue stemmed from conditions allegedly created by the city's paving contractor; who, according to the complaining citizens, had not completed proper restoration to their torn-up yards.

Mayor Royce E. Smith, along with the council, advised the aroused home owners that the contractor will not be paid until the paving project meets with the satisfaction of city inspectors.

While the Belleville mayor and council assured the worried citizens that their interests would be served, a different development was taking place in Romulus.

Mayor Terry Trout, determined to beautify the community, announced that city

inspectors would begin ticketing home and business owners who fail to comply with the community's anti-litter enforcement code.

Trout stressed that most citizens are cooperating in the beautification project, but warned: "And for those who do not cooperate, tickets will be issued."

The Romulus mayor also adds: "When the project is completed, we'll have a beautiful clean community. That's why we're enforcing the anti-litter ordinance..."

In both separate instances, the decisions emanating from Belleville and Romulus are on course. When citizens suffer unjustly, they deserve city assistance—and when citizens violate ordinances designed to enhance the community, they deserve to be ticketed.

We call it grass roots involvement. Each must take pride in the community—and work together for the benefit of the total community.

Solving teacher strike problem grows dimmer

Legislature fails to find a compromising solution

By WES THORP
Lansing Bureau

The prospects for finding a legislative solution to teacher strikes by this fall are growing dimmer as the teachers and school boards begin to stake out their positions on the issue.

First, the two sides are at odds on what should be done to prevent teacher strikes which plagued Michigan schools last fall.

And, without some agreement between the two sides on, at least, some of the basics of what should be done, the chances of the legislature passing a law, in an election year, which might offend a large block of voters are slim.

THE INCENTIVE for the legislature to work out the kinks in the collective bargaining process for teachers and other public school employees is just not there.

A second obstacle which is working against a legislative solution of what could become a serious problem this fall is a crowded legislative calendar.

The 110-member House and 38-member Senate are facing a tall stack of appropriations bills which are guaranteed to spark much debate, consequently taking

much time which might be used on other issues.

THE LAWMAKERS' calendar also includes a package of controversial bills which deal with restoring citizen confidence in state government. These include campaign finance reform, the full disclosure, auditing and reporting of political contributions.

Facing the state budget and the political reform bills and not facing any teacher strikes at the moment, the lawmakers are not too inclined to act.

Rash of strikes on the horizon

This could result in a record number of teacher strikes this fall, according to both teachers and state officials.

THERE APPEARS to be little effort, on the part of either teachers or their employers, the school boards, to reach a consensus on how the strikes can be avoided.

The Michigan Association of School Boards (MASB) which represents 600 local school boards favors a legislative proposal which gives them a decided advantage in negotiating a contract with their teachers.

Sponsored by Rep. Melvin L. Larsen, R-Oxford, a former school principal, the bill sets down a timetable for contract negotiations, allows the school board to turn down an arbitrator's award, but makes it binding on the teachers and which establishes rigid conditions for a teacher strike.

PUBLIC SCHOOL teachers would be allowed to strike, if the school board turns down the arbitrator's award. A strike for any other reason would make the teachers' union subject to a fine.

The state's largest teachers' union, the Michigan Education Association (MEA), however, doesn't buy this.

At their recent spring Representative Assembly in Detroit, the MEA teachers demanded that they be given the unlimited right to strike. Presently, state law prohibits all public employee strikes.

But, it has proven to be unenforceable. The MEA teachers want the legislature to

enact "penalties of significance" against school boards who refuse to bargain in good faith.

TEACHERS claim that they are forced into striking because their school boards refuse to bargain in good faith. "While there are penalties for teachers," a MEA spokesman said, "there are none for the boards of education who cause the strikes."

Finally, the MEA teachers say they are opposed to compulsory arbitration which would put them squarely against the Larsen bill which is supported by school board members, and which Gov. William G. Milliken seems to be leaning towards.

So far, the labor committees of the House and Senate have agreed to hold hearings on the various proposals for bargaining teacher-school board collective bargaining agreements.

The Senate Labor Committee has scheduled hearings which extend into June and its counterpart in the House has scheduled a hearing for the middle of May.

But, there isn't much momentum to do much more than that with the bills.

Voice of the people

Urges rebirth of moral virtues

To the Editor: Let me say I was pleased to read that our commissioners who serve on the Wayne County Board have adopted an ethics code to investigate violations by board members.

Whether the code will prove beneficial remains to be seen. The important thing, however, is that it was proposed and adopted. If our country is to restore its ethics, it must start in government.

While we hear so much of morality decay in government, when will we push for morality in the reading materials flooding the youth market, and when will we get the trash movies out of our theaters.

The movie industry claims it has an ethics code. What a joke. They'll do anything for the almighty dollar.

The communists said from the beginning that capitalism will decay from within, not that there is anything wrong with

the capitalism theory of free enterprise, but from those who exploit it as a means of getting rich.

She sees no roses in city of Romulus

To the Editor: In last week's paper you wrote about Romulus' "rosy" future because of sound planning for industrial development.

Weekend has quiet tone

By SUSAN McDONALD
Of The Enterprise-Roman Staff

Entertainment will have a quiet note this weekend with films for the youngsters and antique show leading off the list of activities.

The Romulus Jaycees are continuing their presentation of children's films at the Romulus High School Auditorium this weekend with nature as the movies' topics.

Youngsters will be treated to two films, "Charlie, The Lonesome Cougar" and "The Silver Fox and Sam Davenport," at the 1 p.m. matinee.

TICKETS FOR the movies are available at Romulus elementary schools. Next week's films will conclude the Jaycees' film enterprise for this year.

For antique buffs, the Ann Arbor Women's City Club is sponsoring its sixth annual "Antique Show and Sale" tomorrow through Saturday at its clubhouse, 1830 Washtenaw Blvd., Ann Arbor.

Twenty-five dealers from Michigan, Ohio, New York, Indiana and New Hampshire will be displaying items throughout the three floors of the clubhouse.

Included among the items

—For your—

Entertainment

displayed will be American and English furniture, jewelry, china, pottery, tinware, prints, books, coins and toys. A special booth will feature antique items being sold by the club itself.

SHOWTIMES ARE from 11 a.m. to 9 p.m. tomorrow and Friday and from 11 a.m. to 6 p.m. Saturday.

Lunches will be served throughout the show in the club's dining room. On Friday the luncheon will feature a fashion show of clothing from Ann Arbor's past in observance of the city's sesquicentennial.

Admission to the antique show is \$1.50 in advance and \$2

at the door.

The Dearborn Rotary Foundation also is sponsoring an antique show Friday through Sunday at the Dearborn Youth Center, Greenfield at Michigan Avenue in Dearborn.

FURNITURE, CLOCKS, jewelry, china, brass beds and many other items will be on display. A special feature will be a booth in which chipped or damaged crystal and cut glass belonging to show visitors will be repaired.

There is an admission charge. Proceeds from the sale will be used to finance the foundation's civic, benevolent and educational projects.

The show will be open from 1 to 10 p.m. Friday and Saturday and from 1 to 9 p.m. Sunday.

For music lovers, Don Ellis with Sid Blair and The Visions will be performing at L. E. Schmidt Auditorium at 8 p.m. Sunday.

PART OF THE Clarenville Entertainment Series Inc., tickets for the performance are available at the box office tomorrow and Friday from 10 a.m. to 2:30 p.m.

The auditorium is at 20155

Middlebelt Rd., Livonia.

For those who always have contemplated making a quilt, a visit to a special exhibit at Henry Ford Museum in Greenfield Village may clarify some of the questions surrounding the age-old art.

"Quilts: A Continuing Tradition" is at the museum now through June 16. The special display includes pattern charts, historical displays and a colorful array of more than 30 original quilts.

Visitors will be able to learn the origins of the many quilting designs and on weekends watch the museum's quilter, Marie Hutton, demonstrate the techniques of quilting.

ADMISSION TO the special exhibit is covered in the museum's entrance fee.

'Number' to host Belleville art fair

The first Belleville Arts and Crafts Fair will be held from noon until 6 p.m. Sunday at Main and Roys streets.

The fair is being sponsored by "The Number," Belleville's crisis-counseling center.

Forty-five artists and craftsmen have made donations to "The Number" for booth locations in the street fair.

Artists from Belleville as well as from Bloomfield Hills, Dearborn, Plymouth, Ann Arbor, Milan and other cities will be participating in the fair.

Many art forms will be on display and for sale, including oils, pottery, watercolors, jewelry, leathercrafts, photography, woodworking, batik, weaving, macrame, and copper sculpture.

Demonstrations in weaving, spinning, wheel pottery, copper tooling and macrame will be going on throughout the fair.

Luncheon refreshments and baked goods also will be sold at concession stands.

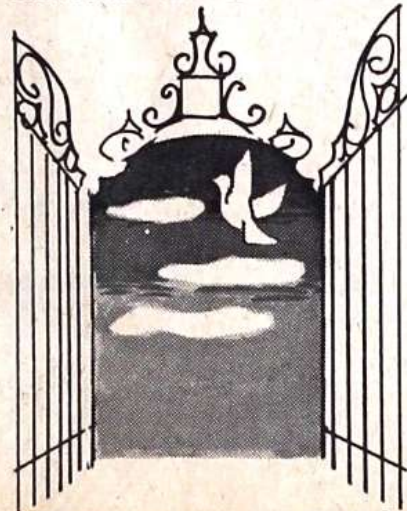

In case of rain, the fair will be held in the Belleville High School gymnasium.

High school's alumnus to hold class reunion

The Wayne High School Class of 1949 is seeking information on "missing" classmates prior to the 25th anniversary celebration to be held July 13 at Leright's Banquet Room in Westland.

Persons with information on classmates who have moved or changed their names are asked to call Virginia (Smith) Attwood at 721-3601.

The May meeting of the Belleville Business and Professional Women's Club was held at South Junior High School. In anticipation of "Michigan Week," "The State" was the decorative

theme of the evening. The state flag and seal along with Potoskey stones prominently were displayed and Michigan scenic place mats used on the tables.

New Boston scouts tour state capitol

A tour of the campus of Michigan State University was among travel activities for Girl Scout Troop 684 of New Boston during a recent two-day visit to Lansing.

As guests of Girl Scout Troop 187 of the Michigan State Capitol Girl Scout Council, the New Boston youngsters were accommodated at the girls' homes. The Lansing troop is headed up by Levene South.

The tour of the university campus helped several of the youngsters to complete requirements for government badges.

Those completing requirements were Rhonda Barbour, Jennifer Banas, Roxanne Dulecki, Mary Karen Doyle, Lori Eberhardt, Pat Lindsey, Monica Pachy, Kay Petraska, Cheryl Roberts, Ann Rogalle, Laura Symmas, Kim Verner and Cheryl Ann Wilk.

Chaperons for the trip were Mrs. Alex Pachy, Mrs. Lloyd Verner and Mrs. Edward Wilk. Mrs. Felix Rogalle and her two daughters were guests on the tour.

Banquet honors women

Area residents are invited to the Community United Methodist Church's mother-daughter banquet, scheduled for 6:30 p.m. Saturday at the Romulus church.

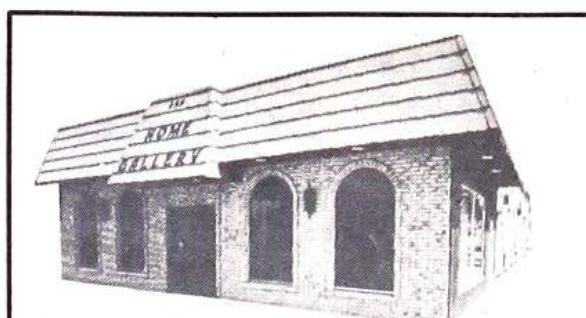

Tickets are available by contacting either Kathleen Carpenter at 721-0240 or Delores Bradley at 941-6934. Adult tickets cost \$2.25 with tickets for children under 12 at \$1.25. Youngsters under five years of age will be admitted free of charge.

The exception of pressional cooks, chefs, employees of Detroit Edison and their immediate families.

Entries should be mailed to "King of the Patio" Contest, The Detroit Edison Co., 2000 Second Ave., Detroit, 42226. There is no limit to the number of recipes which can be submitted. However, each must include the name, address and telephone number of the participant. All entries must be postmarked before 12 p.m. May 17.

'King of Patio' contest seeks men cooks' recipes

Detroit Edison's residential consumer services division again is turning its attention to the men cooks of southeastern Michigan in seeking its 10th "King of the Patio."

Kathryn D. Riney, head of the division, said this year's special emphasis will be on the efficient use of portable outdoor cooking appliances. "Besides being fun, patio cooking cuts down on indoor heat and portable appliances which assist outdoor cooks in the wise use of energy, because they are thermostatically controlled," she said.

THE FIRST PHASE of the contest will run through Memorial Day. From written recipes received, 10 men will be chosen to take part in a simulated outdoor Cook-off at Detroit Edison's downtown Detroit headquarters on June 12.

Grand prize will be a complete patio ensemble,

including an M-W counter top jet fan oven, an insulated 30-cup coffee maker and electric grill and patio cart.

Second prize will be a "thrifty combo," consisting of a rotisserie-broiler and a super pot. A "patio duo," an electric skillet with broiler lid and a blender-ice crusher, will be given to the third place finisher.

The seven runners-up also will receive electric appliances.

THE CONTEST is open to all adult male residents of Detroit Edison's southeastern Michigan service area, with

MISS WELTON

MISS DENHART

Future brides set August weddings

Kathleen Welton of Vicksburg is announcing the forthcoming marriage of her daughter, Sandra Jill, to James Michael Morgan, the son of Mr. and Mrs. Alexander Morgan of Romulus.

The bride-elect, whose father is the late Rev. Wayne Welton, was graduated in 1971 from Three Rivers High School. She currently is attending Olivet Nazarene College where she is affiliated with Sigma Tau Delta English Society. She is employed by General Telephone of Michigan.

Her fiancé, a 1969 alumnus of Romulus High School, was graduated magna cum laude from Olivet and is employed by the Romulus Public School District.

An Aug. 10 wedding date has been set.

Donna Denhart of Belleville and Mark Phillips of Ypsilanti are engaged and making plans for an Aug. 17 wedding. Their betrothal and nuptial date are announced by her parents, Mr. and Mrs. Donald Denhart of 44256 Harmony Lane, Belleville.

Miss Denhart is in her senior year at Belleville High School. Her fiancé is a 1972 graduate of Huron High School in Ann Arbor.

Mr. and Mrs. Clyde Phillips of 1453 Witmore, Ypsilanti, are parents of the prospective bridegroom who is employed by Browning Painting.

Forest Avenue Baptist Church in Ypsilanti has been reserved for the summer nuptials.

Former resident exchanges vows on West Coast

In a quiet, intimate ceremony in the garden of her parents home, Linda Jean Smith became the bride of Terrence E. Whitehouse. The Rev. Hale Warner presided at the afternoon rite which united the daughter of Mr. and Mrs. Walter McCabe of Fresno, Calif. and the son of Mr. and Mrs. Hubert Whitehouse of San Antonio, Tex.

Formerly of New Boston, the bride was given in marriage by her brother, Michael Smith of San Jose, Calif. For her wedding she chose an off-white gown of unbleached muslin styled with a square neckline outlined with ecru lace and long, Juliet sleeves. The softy-gathered skirt featured a cummerbund embroidered with pink and blue flowers to match the fresh blooms she wore in her hair.

Her hand bouquet of blue and pink bachelor buttons, pink baby roses and baby's breath repeated the floral selection. Her only jewelry was a gold heirloom locket which had belonged to her great-grandmother and which had been passed down to daughters in the family on their wedding days.

JUNE MONTGOMERY of Fresno, the bride's college roommate, was the only attendant. Her peasant-style frock of unbleached muslin

pink lace collar, pink sash and pink floss. She, too, wore fresh flowers in her hair to match her bouquet of pink and white bachelor buttons and baby's breath.

The bridegroom chose his fraternity brother, Jim Kane of Buena Vista, Calif. to be best man.

Mrs. McCabe wore for her daughter's wedding a long, flowered jersey dress to which she pinned her corsage of pink roses. The bridegroom's mother donned a peach-colored organza gown. Her corsage was comprised of white roses.

Following the ceremony the bride's parents entertained at a sit-down dinner on their patio with 35 guests present. Among those traveling to California for the wedding were the bride's grandmother, Mrs. Naomi Studer of Westland, and her two aunts, Mrs. J.E. Johnson of Romulus and Mrs. James Ball of Monroe.

The newlyweds flew to Hawaii for a two weeks honeymoon and are now making their home in Tacoma, Wash. where the bridegroom recently accepted work with the state. Both young people are graduates of the University of California at Los Angeles. Prior to her marriage, the bride was employed at Universal Studios.

Art Fair set for Sunday

BELLEVILLE—The area's first art fair will be held Sunday from noon to 6 p.m. at the corner of Main and Roys streets. Sponsored by "The Number," the show will include various media as well as refreshments and a bake sale. In case of rain the fair will be held in the Belleville High School gymnasium. Forty-five artists have reserved exhibit space.

BELLEVILLE—Trinity Episcopal Church will hold a chicken barbeque from 11:30 a.m. to 5:30 p.m. Sunday. Patrons may dine in the church hall or call 699-3361 for local delivery. Carry-out service also will be available. Ticket prices are \$2.50 for adults; \$1.50 for children, and \$10 for a family group.

BELLEVILLE—Edgemont Elementary School's sixth grade class will hold a car wash from 9 a.m. to 3 p.m. Saturday at the Michigan School Bus Service garage on Davis Street off Sumpter Road. Proceeds will go for a class camping trip.

BELLEVILLE—"The Number" will sponsor a historical home and garden tour June 2 in the Belleville area. Tickets, at \$3, may be reserved by calling 699-2039. Refreshments, included in the price of admission, will be served by the Van Buren Garden Club.

ANN ARBOR—The Ostomy Club of Washtenaw County will meet at 7:30 p.m. tomorrow at the Senior Citizens' Guild, 502 W. Huron St. Dr. Verne L. Hoshal Jr. will have as his topic "Surgical Anatomy of the Stoma."

BELLEVILLE—The Methodist Youth Fellowship (MYF) will hold a paper drive Saturday. Please have paper, magazines and old telephone books bundled or put in paper sacks before calling 697-9288 for pickup.

ANN ARBOR—The Tuesday Nite Singles Club will hold its anniversary dinner-dance at the Elks Club in Ann Arbor May 21. Cocktails at 6:30 p.m. will be followed by dinner at 7:30 and dancing at 9:00.

BELLEVILLE—The John M. Wahl Women's Relief Corps of Belleville will hold a bingo at 1:30 p.m. Sunday at the Romulus V.F.W. Hall on Huron River Drive. Blankets, percale pillowcases and other items will be prizes. Lunches will be available. Proceeds will go to the Department of Michigan, Woman's Relief Corps Executive Board, for its operating costs.

BELLEVILLE—A special meeting of the Band Boosters Association will be held at 7:30 p.m. Monday in the Belleville High School Band Room. Plans will be completed for the annual "Picnic Pops."

BELLEVILLE—Bingo games are being held each Wednesday at St. Anthony's Parish. The public is invited to the weekly sessions which begin at 6:45 p.m. in the Father Folta Building behind the church on W. Columbia Ave.

Gift of garden club

Mountain ash planted on post office lawn

The Huron Valley Garden Club's contribution to spring is a new mountain ash tree presented to the Belleville branch of the U.S. Post Office. Conservation chairman, Mrs. Melvin Budd, made the presentation to Belleville Postmaster Raymond J. O'Neil and Assistant Postmaster George C. Wilson. The Bentley Nursery handled the planting arrangements.

The mountain ash has several interesting characteristics, according to a club spokesman. Its leaves are compounded (made up of several separate leaflets) which resemble those of the rose. The white flowers grow in large, flattened clusters and the orange-to-red berries are prominent to the eye in the fall. An ornamental tree, it also is valuable as wildlife food.

Belleville's newest "oxygen provider" was planted on the left lawn of the post office.

THE MAY meeting of the

club was held at the new home of Mrs. Budd on Expressway Drive. The hike through the wooded area behind the Budd home, which had been planned, was cancelled because of rain. Some of the wild flowers could be seen, though, through the patio windows.

The hostess also had as a

reference a new book on wild flowers which was available for club members' inspection.

The business meeting was preceded by a salad luncheon served by the program committee. The group then drove to the Ann Arbor home of Thelma Crawford who demonstrated the art of pottery making.

October bride-elect honored

Taking time off from her nursing duties in Clearwater, Fla., Gail Ostrowski recently came home to take part in a friend's wedding and to be the honored guest at a bridal shower of her own.

Held at the Masonic Temple in Belleville, the miscellaneous event was hosted by the bride-elect's mother, Elsie Ostrowski, and aunts, Doris Smith of New Boston and Carol Sword and Pauline Ostrowski of Belleville. Another aunt, June Whichello who helped with the party preparations, was unable to attend because of illness and subsequent hospitalization.

Relatives and friends, 67 in all, arrived from Flint, Ann Arbor and the Belleville area for the afternoon festivities which centered on card bingo and a buffet supper.

The table centerpieces, spring flowers and candles, were made by Doris Smith with a cousin of the bride-to-be Shirley Tackett, making the shower cake. Cut to form two entwined hearts, the confection carried out the yellow, green and white color scheme of the wedding and bore the inscription "Gail and Cork."

A colorful parol of netting and flowers and a wishing well formed the setting as Gail opened the gifts for her future home. Linda Skszek of Ypsilanti and Denise Ostrowski and Sandra Sword, who are to be in the wedding, assisted with the ribbons and wrappings.

Gail and her fiancé, Richard Baird of Ypsilanti, have set an Oct. 12 altar date at St. Anthony's Catholic Church.

Skszek's mark silver wedding

A noon mass of Thanksgiving at St. Anthony's Catholic Church was just part of a week of celebrating for Wally and Dorothy Skszek who marked their 25th wedding anniversary last Tuesday.

The Rev. Raymond Skoney presided at the May 3 service and special church blessing. The couple's children, Karen and Tim; Karen's fiancé Bill Mida; and Mrs. Skszek's mother, Mrs. Sarah Duda of Detroit, were present and later had dinner with the honored pair at the Brentwood House in Melvindale.

The evening before the Skszeks were guests of her brother and sister-in-law, Gene and Ruthann Duda of Clarence Street, who entertained at a turkey dinner. On Tuesday, their anniversary date, Wally and Dorothy dined alone at the Heidelberg in Ann Arbor where the old German songs recalled their visit to the quaint city in 1972.

A good friend, Joanne Stabnau, dropped in during the week with a three-tiered wedding cake she had baked and decorated. This served as dessert for the many relatives and friends who called in honor of the occasion.

A month earlier the Skszeks marked 25 years of togetherness with an eight-day trip to Hawaii.

Wally and Dorothy, who were married at Transfiguration Church in Detroit, have lived in the Belleville area all their married lives. They currently reside at 48999 Expressway Drive.

Here 'n there . . . around town

Two Romulus residents, Sophie and Cindi Blaharski, spent their recent vacation in the Grand Bahama Islands where they enjoyed 90-degree weather and the warm Atlantic. They stayed at the Lucaya Beach Hotel where they snorkeled, golfed and played tennis.

They also visited the International Bazaar, the El Casino and in a rented car drove from one island to the other. Sophie is a media specialist in the Dearborn Public Schools and Cindi a teacher in the Taylor School District.

Jay and Phyllis Thompson of Romulus entertained their parents in observance of Mother's Day Sunday and served a special Italian dinner in honor of Ruth Thompson's heritage. Guests were Jay's parents, Mr. and Mrs. Ronald Thompson of Detroit, and their youngest son, Paul, and Phyllis' parents, Mr. and Mrs. Henry Britz of Redford.

Robber gets \$400 in checks

A Detroit man is out more than \$400 in travelers checks, \$700 in tools and an automobile, following an abduction and robbery.

Wayne Allen Moody of Detroit was found by the Wayne County Sheriff's Department patrol at 2:39 a.m. May 9, after what he claimed to be his abduction in Detroit.

Moody told the sheriff's that he was on 14th Street in Detroit when a male approached him with a gun and ordered him to drive west.

At the intersection of Pennsylvania and Wayne Road, the complainant jumped from the car and ran.

He was found by the sheriff's officers at Middlebelt and Sibley roads in Huron Township.

Teacher to serve internship

The woods and building trades instructor at Romulus High School, Paul C. Lambers, has been chosen from among 200 applicants to participate in the Leadership Development Program, conducted by the University of Michigan.

He will serve his administrative internship in the Career and Vocational Education Program at the high school during the 1974-75 school year.

Bids let for work on freeway

Construction on a 4.3-mile stretch of the I-275 Expressway in Romulus may begin sometime this year.

The Michigan Department of State Highways and Transportation today is taking bids on construction of the freeway from just south of the I-94 Expressway to Michigan Avenue in Canton Township.

The bids include earthwork at the interchange of I-94 and I-275 and construction of a pump house at the interchange to drain storm water.

Estimated completion date of the project is December, 1976.

Banquet to honor secretary

Michigan members of the National Secretaries Association will be meeting at Detroit Metropolitan Airport's Hilton Inn in Romulus this weekend.

Included in the meeting is the Secretary of the Year contest to be held Saturday. Winner of the contest will be eligible for competition for the national title.

Keynote speaker at a banquet Saturday evening will be Dr. Daniel Kruger, professor of industrial relations at Michigan State University.

Student earns college degree

A Belleville resident, Daniel E. Harner, was among 5,645 students to receive degrees Sunday from Indiana University in Bloomington, Ind. He received a bachelor of science degree in education.

Belleville City Clerk

Rep. Ford maintains position in supporting American way

By MITCH KEHEITIAN
Editor of The
Enterprise-Roman

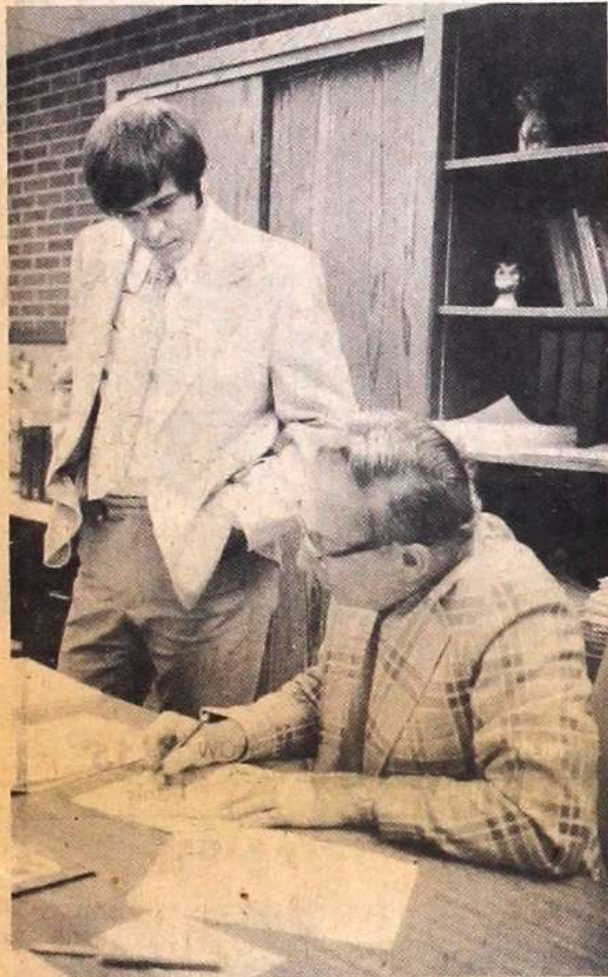

While clutching a "first edition" copy of the Watergate transcripts before a Western Wayne County audience, Congressman William D. Ford again reiterated his faith "in the American system."

Speaking before the First Friday Club in Wayne, the 15th district Democrat said: "Despite Watergate's tragic effects on America, it has proven that the American system works."

The five-term congressman then stressed that "Watergate events were possible not because we lacked laws, but because the inhabitants of the White House felt they had a special exemption from the law...even from the constitution."

IN CITING his faith in the American system, Ford said the Judiciary, the Congress and the press all played important roles in "ferreting out and exposing the Watergate conspiracy."

"Of the many things Watergate may be, there is one thing it is not — proof that all politicians are crooks," he said.

STATE AID DISCUSSION — State Rep. Gary M. Owen (D-Ypsilanti) of the 22nd District (left), held a study session with Van Buren School Supt. Dale E. Kaulitz on the upcoming state school aid bill. Kaulitz detailed statistics on the Van Buren school system's need for additional state aid. Owen's district includes Van Buren Township and the City of Belleville.

Scouts win prizes for boat designs

A boat making contest highlighted a recent meeting of Cub Scout Pack 924 of Elwell Elementary School, Belleville.

The boat contest was held in the observance of the scouts' monthly theme of sea activity. Prizes were given for the most floatable and original boat.

Chris Neurirth won first prize for his boat, made of milk cartons. He received a Boy Scout compass. Donald Burke won second prize for his fishing boat, and Darren Ciuk won the third prize for his liner. The three winners were

from den three.

The judging was done by the pack's adult leaders.

Topping the awards presented at the meeting were wolf badges, given to Darren Ciuk and Chris Neurirth.

Ronnie Ostrowski along with Chris Neurirth received the pack's highest award — a gold arrow.

The cub pack will conduct its annual field trip to Tiger Stadium May 25.

Parents are requested to notify den mothers on whether their sons will take part in the trip.

Classes' registration opens

Registration for Van Buren Township's summer recreation program will begin May 28 at the township hall, 46425 Tyler Rd.

Registration hours will be from 8 a.m. to 5 p.m. Monday through Friday and until 7 p.m. on Tuesday.

The township's regular summer programs will open June 24 and will run through Aug. 6. In addition to a variety of recreational activities, the township's recreation

department has scheduled numerous classes for both adults and children.

Recreation officials said residents should register early and in person, if possible.

The recreation department has prepared a guide to

as a "terrible performance because of Watergate," Ford said "not one was elected to his position — they were all appointees."

In leafing through the bulky 1,308-page Watergate transcript, Ford urged: "Politicians must not be judged by the actions of these men. The great majority of elected officials at the local, state and federal level, are good, hard working and honest men and women."

IN HAMMERING away at his belief in the American system, Ford repeated that "our political system saves us."

"Under a different system, or had ours not functioned as it should, the misdeeds of these individuals would never have been known," he said.

Holding the \$12.50 government printed transcript for all to see, Ford said: "Even the men in the most powerful positions in the White House could not contain the system. They abused it to such a degree that it snapped back and exposed them and their misdeeds."

Ford also branded the televised transcript address by President Richard Nixon

Speaking to the packed 13,000-seat auditorium Mr. Nixon said: "The time has come to put Watergate behind us and get on with the business of America..."

HE ALSO RECEIVED a surprise plug from Arizona Sen. Barry Goldwater, the GOP's unsuccessful standard-bearer in the 1964 race against Lyndon Johnson.

Goldwater, who earlier in the Watergate episode called on the President to "clear the air" and fire those responsible for Watergate, said the House Judiciary Committee's impeachment probe has been turned into a partisan issue.

While conflicting assessments of the Watergate transcripts are filling the news columns in newspapers across the country, the White House expressed satisfaction over an editorial comment in the persuasive Wall Street Journal.

The influential financial journal said "the record may show executive weakness, misplaced loyalty, character faults and even a startling naivete. But...the transcripts show the President surprisingly uninvolved."

BUT AT THE Notre Dame K. of C. Hall in Wayne, there was a different tone as Ford read portions of the transcripts.

"What we have here is 10 pounds of edited, sanitized transcripts of what the President wants us to believe. It's frightening, and only can be resolved with an im-

Resident loses her pet pony

A Romulus woman has reported to the Wayne Sheriff's Road Patrol that a pony she had been housing on her farm on Northline Road was missing.

Sharon Gibson of 28675 Northline Rd., Romulus, reported that the pony she had kept was taken from the area between 10 p.m. May 7 and 2:30 p.m. May 8.

Sheriff's deputies investigating the incident could find no clues to the missing animal. They theorize that tracks of the pony and the thief may have been obliterated by rain during the night.

The matter still is under investigation.

peachment verdict," Ford said.

"The Administration is pinning its hope on a belief that the people will tire of Watergate," Ford said. "If we do, then, and only then, will our system fail to function."

To aid farmers Agency to find gas

Wayne County farmers who have been unable to find fuel for agricultural production through regular channels can contact the Wayne County Agricultural Stabilization and Conservation Service (WCASCS), according to its executive director, Dolores Londeau.

"WCASCS and the Federal Energy Office (FEO) are operating a triple-decker backup system for farmers with fuel problems that cannot be resolved through available

procedures," she said. The Wayne WCASCS branch is located at 3716 Newberry St. THE FIRST PHASE attempts to solve the problem quickly and simply, she said. The office will attempt to locate a fuel supply for a

farmer who is unable to get fuel from his distributor. "The office will use the second backup only when it can't locate fuel locally," Mrs. Londeau said. "WCASCS will contract the State Energy Office or the regional FEO."

Tomorrow's horoscope

ARIES (Mar. 21 to Apr. 19) Contact new acquaintances who will help you combat displeasing conditions. State your problems. Get up enough courage to widen your horizons.

TAURUS (Apr. 20 to May 20) Think over early what is expected of you by mate, and comprehend his or her overall aims. Rid yourself of some responsibility that handicaps you.

GEMINI (May 21 to June 21) If you are more concerned with keeping promises made to partners instead of concentrating on personal desires, you get far better results now.

MOON CHILDREN (June 22 to July 21) Carry through steadfastly with duties and forget diversions today. Co-workers do not quite agree with you, but take no offense. Do nothing rash.

LEO (July 22 to Aug. 21) Planning a vacation, perfecting hobbies and recreations is wise now. Do not get involved in anything you can't get out of. Cut down expenses.

VIRGO (Aug. 22 to Sept. 22) Gain goodwill of kin by showing affection and thought. Relax at home in p.m., but not a good time to invite guests there. Read.

LIBRA (Sept. 23 to Oct. 22) Buy gadgets that will make work more efficient and increase profits. Corresponding with good friends and relations brings interesting results. Be brief.

SCORPIO (Oct. 23 to Nov. 21) If you use common sense, you find you can handle property and money matters with excellent results. Some business expert can help with decisions.

SAGITTARIUS (Nov. 22 to Dec. 21) Improve health and make yourself more attractive in a.m. Then keep busy at business, personal appointments for a fine impression on others.

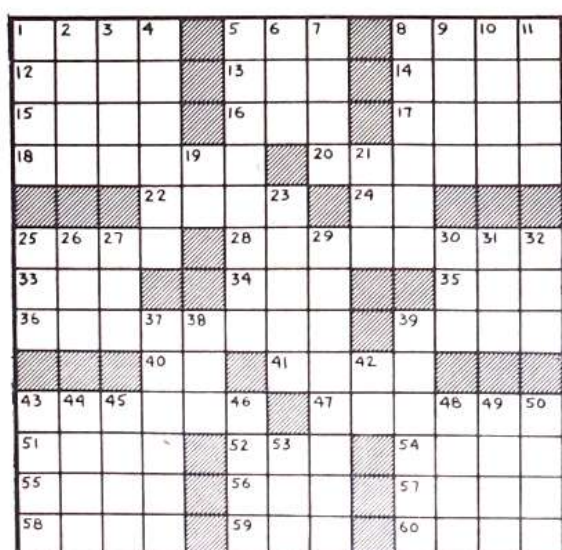

CAPRICORN (Dec. 22 to Jan. 20) Forget the limelight now and get into talks with experts on how to gain your fondest aims with greater ease. Help friends if needed.

AQUARIUS (Jan. 21 to Feb. 19) Be with fine friends, but do not burden them with your problems. A social group meeting seems unimportant, but holds the key to something vital.

PISCES (Feb. 20 to Mar. 20) Get into activities that make a fine impression on bigwigs who can pave the way to greater success for you. Pay more attention to credit.

ASSUMES NEW DUTIES — The newly elected president of the Belleville Area Chamber of Commerce, Ben R. Robertson (right), not only had his new position to get used to, but also new surroundings. The chamber has changed its headquarters, moving into the old township hall at 116 Fourth St., Belleville. Discussing current chamber programs with Robertson is Dick Wood, a local insurance representative.

Ford's bill will propose homebound health care

Legislation to provide health care for the elderly in their own homes, rather than in nursing homes, has been introduced in the House of Representatives by Congressman William D. Ford (D-15th District). Citing estimates by the National Center for Health Statistics, Ford said there has been an increase of almost 50 per cent since 1967 in the number of elderly persons entering nursing homes. "A majority of these people would obviously prefer to stay in their own homes if they could receive medical attention there, or if they could have someone to check on them regularly," Ford added.

A similar bill has been introduced in the Senate.

Charles Muncy, the son of Mr. and Mrs. Lee Muncy of Hannan Road, Romulus.

DARTE sponsors drug talk

The Drug Abuse Reduction Through Education (DARTE) at Belleville High School will sponsor a meeting at 7 p.m. Monday in the high school. The meeting, for area parents, will address itself to the topic of "Substance Abuse, An Overview." The speakers will be Robert Harkai, director of the Student Services Center at the high school, and Kenneth Kaminsky, director of the DARTE program for the Wayne County Intermediate School District.

Mahalak bill proposes roadside bicycle paths

A bill calling for the creation of bicycle paths along limited access highways have been introduced in the House of Representatives by State Rep. Edward E. Mahalak (D-Romulus). Under present law, bicycles are banned from limited access highways, as are farm tractors and any non-motorized traffic and pedestrians, he said. "This law is a sensible one," Mahalak said. "Obviously, it would be dangerous to permit bicycles on the highway. However, there is a rising interest in bicycle paths. If such paths were constructed separately from the roadway of limited access highways and designated for the exclusive use of bicyclists, they would not interfere with traffic." Mahalak said there are state funds available for the construction of such bicycle paths. "There have been a number of them built already," he said. "And many more are planned. But until the present time the state could not have them along expressways. These highways are good, direct routes for persons on a long distance bicycle trip and provisions should be made for their use."

Michigan Day set for park

WAITING IN LINE — Huron Township residents turned out in force last week, forming long lines at many of the medical checkup tables at the Huron Health Day center. Lines also formed at the blood donation center where citizens helped maintain the community blood bank. Included in the blood donors were some 65 students from Huron High School. The health day was held at St. Paul's Lutheran Church in New Boston. — Enterprise Roman photo.

Survey to collect employment data

Data on workers holding more than one job and on high school seniors and recent graduates will be collected in a survey conducted by the U.S. Bureau of Census. Robert G. McWilliam, director of the bureau's data collection center in Detroit, said that census interviewers will visit households in the Belleville-Van Buren Township area next week. Questions asked of multi-job holders will provide information about why people take a second job and the extra weekly hours they spend at it, as well as information about the main job. Questions on education will provide information about students in college and other forms of post-high school education and about recent high school graduates not attending school. It also will collect data on the future plans of high school seniors.

Chamber appoints committee heads

The Belleville Area Chamber of Commerce has announced the membership of its various committees for the 1974-75 year. Chamber President Ben R. Robertson made the announcement of the committee members at last week's chamber meeting. Members of the committees will serve one year on the respective panels. Appointed to the Downtown Retail Merchants Committee were Rae Thom, chairman; Dick Wood and Mrs. Doug Erb. THE PROJECT COMMITTEE will be headed up by Barbara Rogalle Miller with Ed Engel and Bill Tremper serving on it. Nominating Committee chairman is John Barber. Other members are Peter Doyle and Dale E. Kaulitz. On Community Development Committee are Howard Stinehour, chairman, and Kurt Atchinson. Pollution Committee chairman is Harold Roberts. Robert Tontalo also will serve on that panel. ON THE MEMBERSHIP Committee are John Barber, chairman; Darryl Raymond Jr., Kurt Atchinson and Dorothy Schroeder. The Education Committee is composed of Dale E. Kaulitz, the chairman. Delinquent Accounts Committee chairman is Ron Newth, with Harold Roberts also joining him on the panel. Serving on the publicity committee are Peter Doyle, chairman, and Ron Newth.

Parade openings available

Van Buren Township officials have issued another call for entries in the township's Memorial Day parade planned for May 27. The parade will be one of the many highlights of the grand opening of Van Buren Township's 101-acre recreational site on the north shore of Belleville Lake. Jeffery G. Clark, director of the township's parks and recreation commission, said a "Gay 90s" has been selected as the theme for the official opening of Van Buren Park. He said plans are proceeding according to schedule, adding that there is still time for area individuals and social and civic organizations to participate in the parade. The parade will begin at 10 a.m. at the Belleville High School. It will proceed east on West Columbia Avenue to Main Street, then north to Roys Street. At Roys Street, parade participants will disband and enter cars for a motorcade over the Denton Road bridge to the park site. Clark also said the second work bee, held Saturday to clean up and fix up the park site, attracted a large number of cub scouts and girls scouts, despite the rainy weather.

A THOUGHT TO REMEMBER

HAROLD REDISKE, HAROLD REDISKE, JR. — DIRECTORS

Do you know any one who is completely free from worry, fear, self-doubt, self-tempt, irritability, unexplained low spirits, nervousness, etc? In the confusion, grief and terror of our times, these are common traits. It is a tragic fact of life these traits in certain cases can cause mental disturbance. Authorities claim at least one out of ten of us are in some degree mentally disturbed. They go further. They claim one out of ten of us will spend some time in a mental institution. Even if exaggerated, and only one out of twenty, thirty or fifty are doomed to such destiny. It is still far, far too many. Common sense should dictate that all of us must become aware of the urgent need to show more concern for the mentally retarded and mentally ill. Human understanding of others, prayer for help to avoid individual moral disturbance, and financial help for mental illness programs are all badly needed. Without it, none of us can avert or minimize the tragic and always distressing consequences of mental illness....

lawn & garden gypsum

a natural conditioner for clay soil

"GRAND PRIZE" Gypsum improves drainage, too," reminds Jerry Baker, America's master gardener and author of "Plants Are Like People."

Now there's no need for heavy hoeing and digging to break up compacted soil. Just spread this natural mineral on your garden this Spring. Then water it in and let nature do the hard work, naturally. GRAND PRIZE Gypsum aerates hard-pan soil so it can breathe. Helps flower and vegetable seeds germinate faster and roots grow deeper. Allows costly fertilizers to do a better job, too. In fact, GRAND PRIZE adds its own sulfate sulfur and soluble calcium to soil; two nutrients essential to healthy plant growth. In the words of Jerry Baker, "Gypsum should be applied to all gardens, lawns, trees, shrubs and beds if the soil is the least bit hard or compacted." Get GRAND PRIZE at your garden center or hardware store. It's the easiest way to get hoeing!

Art fair to award ribbons

More than 130 artists and craftsmen are expected to take part in the fifth annual Milan Art Fair, scheduled for June 2 at Wilson Park in Milan.

Representing a wide range of artistic work, the fair will have displays of oil and acrylic paintings, water-colors, prints, pottery, leathercraft, lapidary, weaving and batik.

Most items on display at the fair will be for sale.

The director for the cultural activities for the University of Michigan extension service Michael Church, will be judging the art displays. Ribbons will be awarded in all categories, including the children's art exhibits and the crafts division.

EARN NEW RANK — Three Romulus residents were among 500 Master Masons to receive the rank of Scottish Rite's 32nd degree during a group reunion in Detroit recently. Joining the class in the ceremony

were James Rheinhardt (from left), Roger Papciak and David Martin. Guest speaker for the traditional 32nd degree banquet was The Rev. Fr. John O'Brien, Ph.D., author-in-residence at the University of Notre Dame.

At masonic reunion

Residents earn new rank

Five residents from the Belleville-Romulus area have received the Scottish Rite's 32nd degree at a recent masonic reunion in Detroit.

Walter E. Cox of 15803 Hoeft Rd. and Lester W. Bell of 8701 Belleville Rd., both of Belleville, joined 500 Master Masons from 11 southeastern

Michigan counties in receiving the degree.

Three Romulus residents, James Rheinhardt of 15802 Springhill, Roger Papciak of 15812 Anthony Ave., and David Martin of 36550 Wick Rd., also received the degree.

Guest speaker at the traditional 32nd degree banquet was The Rev. Fr. John A. O'Brien, Ph.D., author-in-residence at the University of Notre Dame.

The class was named in honor of the late Lloyd H. Diehl, a 33rd Degree Mason who died in September, 1972.

NEW 32ND DEGREE MASONS — Walter E. Cox (left) of 15803 Hoeft Rd. and Lester W. Bell of 8701 Belleville Rd., Van Buren Township, recently received the Scottish Rite's 32nd degree at a reunion held in Detroit on two weekends. They were in a class of nearly 500 Master Masons from 11 southeastern Michigan counties who received the degree.

Airline develops plan for facilities' expansion

United Airlines will embark on a \$1 million expansion to increase passenger services at Detroit Metropolitan Airport in Romulus.

The airline said it plans to add a third "wide-jet" boarding tube, expand its food service area for on-board meals and enlarge its boarding areas and check-in facilities at four gates.

Also planned are a new terminal ticket area, an expanded baggage claim area, curbside baggage handling systems and enlarged waiting rooms, according to an airline spokesman.

The airline will increase its daily departures from 19 to 29

starting June 15. The increase will raise the daily seat offering by the airline from 2,600 to 3,600.

The new flights will result in the callback of 20 of 30 employees laid off in December in an energy-related cutback.

A Belleville resident, Larry G. Fleeman, received several awards from the College of Business of Eastern Michigan University at the end of the winter semester.

Fleeman, who lives at 44741 Lake Crest Dr., received the Outstanding Management Graduate and Wall Street Journal awards and an honor student certificate.

MEET BILL AMUNDSON...

He's a professional truck driver's professional. And he's serving as Michigan's Driver of the Year for 1974. Secretary of State Richard Austin presented him with that honor in February. Bill has spent the last 34 years driving all kinds of trucks, mostly in city traffic, covering over 1 1/2 million miles... all without an accident.

We wanted you to meet Bill, especially during National Transportation Week, because without him, and the millions of other truck drivers, Michigan would not have the benefit of competing in the market places of the world.

Postmasters select week for repair local mailboxes

The U.S. Postal Service has designated next week as "Mailbox Improvement Week."

Belleville Postmaster R.J. O'Neil and Romulus Postmaster Wilbur Laginess said the week has been set aside as a time to encourage rural delivery and city postal customers to improve the appearance of their mailboxes. They also encourage residents to replace old and damaged boxes with new boxes to protect the mail from the weather.

"Mailboxes should be neat in appearance, conveniently located and safe to use," the postmasters said.

ON RURAL ROUTES, mailboxes of approved traditional or contemporary design are required. Unserviceable boxes, or those which expose mail to the weather, should be replaced. Boxes and supports also should be kept painted and free of rust, they said.

On motorized city delivery routes, the mailboxes may be either the approved traditional type, the suburban box of contemporary design or any mail receptacle which is located conveniently at the curb. They must be safe for the carrier to use and afford protection for mail against the weather, they added.

The use of house numbers

and street or road names has been authorized on rural routes. However, house numbers must be shown on the side of the box, and on the door lid, if several boxes are grouped side by side.

On both routes, the street or road name, as well as the house number, must be shown, if the box is not located directly in front of the owner's residence. The owner's name on the box is optional.

The height of boxes depends on the type of vehicle used by the carrier, they said. On rural routes, mailbox posts should be of such a height that the box can be served easily from the window of a passenger car.

A GOOD HEIGHT for rural box supports is approximately 42 inches from the ground to the bottom of the box, according to the postmasters.

On motorized city routes, the supports should be higher, since the boxes are served by postal mail van. About 48 inches from the ground to the bottom of the mailbox is a good height, O'Neil said.

Mailboxes must be located on the right hand side of the road in the direction traveled by carriers. It is both dangerous and a violation of state law for the carrier to drive on the left side of the road, the postmasters added. Properly erected and

maintained mailboxes contribute to efficient and speedy delivery of the mail, and are a credit to the postal customer

and the U.S. Postal Service, they said.

Neat, attractive mailboxes also make a significant

contribution to the appearance of the countryside and the streets in suburban areas, O'Neil added.

Prep '9's are heading into stretch

With only a couple of more league games remaining on their schedules, area prep baseball teams are galloping into the stretch of the 1974 season, and there isn't a title in sight.

BELLEVILLE skidded to 1-7 in the Suburban Eight League and 3-8 overall with a pair of losses to Dearborn Edsel Ford and Allen Park. Ford tripped the Tigers, 4-1, even though it was held to just four hits by Belleville hurler Kevin Bara. The loss dropped Bara to 2-4.

Ford scored two runs in each of the third and fifth innings to outdistance the Tigers. Belleville tallied once in the second when Joe Stillwagon tripled and scored on Greg Ivan's single. Stillwagon paced Belleville with two hits. Belleville totaled six hits off winner Joe Myeno.

Allen Park then edged the Tigers, 4-3, despite a seventh-inning two-run homer by Dave Dapsi. Allen Park had gained a 4-1 lead in the seventh off loser Gerald Memering before Depsi hammered his round-tripper.

Romulus High's varsity baseball team proved last week that it isn't about to be counted out yet in the race to achieve a winning season.

Trailing Willow Run 5-1 in the second inning, the Eagles began to steadily chip away at the lead with balanced hitting and finally took the lead for good in the sixth when Roy Hollis' grounder was bobbled, allowing a runner to score.

The clutch victory boosted Romulus to 5-8 on the season and gave the Eagles a needed lift entering a week dotted with five games.

ROMULUS WILL host tournament. Willow Run jumped on starter Simon Marsiglia in the round action of the state

first for three runs, and the Eagle chucker was removed in favor of reliever Kurt Lenderman. Lenderman, who recorded the win, threw 6 1-3 innings of one-hit ball while striking out eight. He gave the Flyers their final two runs in the second.

Romulus tallied once in the second, three times in the fourth, twice in the sixth and the final run in the seventh.

Mike Nielson's run-scoring double in the sixth knotted the score at 5-5 and was followed by Hollis' grounder and costly Willow Run error.

THE VICTORY hiked Lenderman's won-loss record to 2-4. Romulus collected seven hits off the Flyers.

The Eagles were idle the rest of the week due to a pair of rainouts in scheduled games with Ypsilanti and River Rouge.

A rainout of the Monroe Jefferson game left New Boston Huron with one contest also, but the Chiefs weren't quite so lucky as Romulus in the lone game.

Huron League-leader Flat Rock cashed in on some bogus fielding by Huron to post a 5-0

decision and drop the Chiefs to 0-5 in the league. Flat Rock is 5-0.

THE WINNERS pushed across four unearned runs in the first, thanks to two errors by the Chiefs. They added another unearned tally in the fifth to spoil sophomore hurler Lonnie Fater's first varsity mound start.

Fater, who was roughed up in the first inning, was moved to the outfield in favor of reliever Ken DeLano who set the visitors down. Coach Ron Smith then brought Fater back to the mound and he allowed Flat Rock only one unearned run the rest of the way, but suffered the loss nonetheless.

Kubiak fund created

By TOM MOORADIAN

"Mr. Mooradian," I can vividly remember the voice on oh so many occasions saying, "this is Jim Kubiak. I got the Cherry Hill basketball scores. Do you want them?"

"Sure do," I would reply, "let me crank up this old typewriter first."

Then the blond-haired good-looking, tall youth would begin his monologue and relate how his Spartans had won or lost that night.

And, when the Class A district basketball tournament was held a few months ago, Cherry Hill had the dubious honor of meeting the host, Romulus, in the semifinals.

Upon seeing I had picked Romulus to beat Cherry Hill, Jim challenged my decision.

"You're wrong this time, Mr. Mooradian, Romulus is good, but I think we can beat them," Kubiak said.

That voice still haunts me as I write this column.

1974 CHAMPIONS — Members of Westland John Glenn High's track team are in high spirits after capturing the championship of the Western Wayne Relays Tuesday night, sponsored by The Daily Eagle and Associated Newspapers Inc. The title was the first for the Rockets in the 15-year history of the prestigious meet, conducted at Belleville High.

Glenn captures WW

First track crown for Rockets

John Glenn's thinclads raced through the title barrier last night for the first time in the school's track history, winning the 15th annual running of the Western Wayne Relays.

The Westlanders finished atop a field of 12 challengers who had to wait for the outcome of the final event, the pole vault, to learn what team would wear the 1974 crown.

Wes Teeple, who set a meet record at 14 feet, led Coach Barryl Basel's Rockets to the pivotal win and the six points in the vaulting event. The Glenn senior teamed with

Mike Karl (12 feet) and Mike O'Brien (9 feet) for a total of 35 feet, 6 inches to win the event.

"The boys were just tremendous," said Basel. "We had some guys who really came through for us."

Glenn had two other firsts. The Rockets strung together a foursome of Ken Brummitt, Rick Ellison, Chris Kaercher and Dave Kirst to take the two-mile relay. The winning time was 8:15.03.

They also won the mile relay with Dave Johnson, Dave Kirst, Fed Shoemaker and Rick Ellison.

Franklin, which finished a close second, garnered 28 points and had the best 4-mile relay team with Glenn Shaffer, Dale Cyril, Russ Genter and Randy Crain who combined for a 18:44.2 performance.

WAYNE was close on Franklin's heels. Coach Bill Hawley's Zebras amassed 26½ points. Wayne's All-Area distance man, Ray Nowak had the best time for the 2-mile run, showing up at the finish line in 9:44.1.

Churchill, the defending champ, wound up in fourth place with a total of 23 points. Coach Fred Price fielded the best high jump and shot put relay teams.

In the shot put, Bill Reardon, Mike Welch and Bob DiLaura had a combined effort of 135 feet, 9½ inches while the trio of Jeff Young, Ken Landini and Joe Kline compiled 17 feet, 5 inches to win in the high jump.

Livonia Bentley's entry of Bill Brown, Brian Murphy and Tom Winarski won the long jump competition. Their winning total was 58 feet, 7 inches.

DEARBORN HEIGHTS Robichaud came away with a

pair of gold medals. Coach Leif Jones' 880-yard relay team of Ron Woodson, Calvin Green, Johnny Allen and Wes Jones finished ahead of the field with a winning time of 1:30.0.

The foursome also was the fastest 440-yard relay team. The Bulldogs covered the distance in 43.96.

Taylor won both the high and low hurdle shuttle relay events.

"It was one of the closest meets we have had," said Harry Hidenfelter, Belleville High Athletic Director who served as meet director. "We had a good crowd and the weather was just right except for a brisk wind that came up around 9:30."

ference and also the heir to the Western Wayne Relays throne, are making their move in track and field.

"Our kids are maturing," said the veteran Glenn mentor, "and it's obvious that they are enjoying what they are doing."

"TRACK is one of the unglorified sports on the high school level," continued Basel. "In football and basketball the stadiums and courts are usually filled with fans and the stars get more than their share of newspapers coverage."

"But in prep track, well it's just a different story. It's work, work and more work for a trackman. And that can be really frustrating for the person who isn't getting his due share of accolades."

One of those who is zeroing in on the area's top performance is Glenn senior Wayne Clemons who has tossed the 12 pound shot 53 feet, 8 1/2 inches, falling less than two inches short of the area's best, (55'5"). (The state record is 63 feet, 7 inches).

CLEMONS, Livonia Churchill's Bill Reardon and Franklin's Kim Ninn's will probably battle it out for the gold medal when The Daily Eagle stages its sixth annual All-Area Meet next month.

Another who is closing in on the area's best long jump effort is Garden City West's Paul Halliwell who has leaped 21 feet, 2 1/2 inches, a half-inch better than Churchill's Phil LaFave.

The area's best last year was 22 feet, 4 inches.

GLENN'S Wes Teeple has already established a new area high in the pole vault and is on his way to challenging the state record in that event.

Teeple, who was sidelined in his junior year with an injury has come back to with the WW Relays title with a leap of 14 feet. The state record is 15 feet, while last year's area best is 13 feet, 3 inches.

Glenn's 880-yard relay team also has left last year's best time in its wake. The four-some of Fred Shoemaker, Terry Bixler, Clemons and Rick Ellison have been clocked in 1:31.6. Their next goal will be the state record which is a 1:27.0.

Churchill's Bob Mendoza has erased the area's best times for the high and low hurdles. The quick-stepping senior has covered the high's in 14.8, (last year's best was 15.1) and disposed of the lows in 19.2, (20.0 was the top effort in '73).

If these times are indicative of what's to come, then almost all area times will topple before the 1974 track season ends.

The following listing was compiled by Rance Teeple, John Glenn assistant track coach. He can be reached at 729-5769 after 6 p.m.

Trucking mishap kills Detroit driver

A Detroit man perished in a freak mishap near the site of the I-75 Expressway construction.

Milton Joe Carter, 48, of 16141 Turner St., Detroit, was crushed to death between two tandem-load gravel trucks May 8 as he guided a friend to one of the trucks to recharge a battery.

Officers of the Wayne County Sheriff's Road Patrol, investigating the incident, said Carter and another friend had pulled their trucks to the side of the road on the south

side of Northline Road west of Wayne Road during a rain.

CARTER HAD left the lights on in his rig and needed to recharge his battery.

His friend volunteered to bring his own truck around to recharge it.

Carter stood in front of his own rig as the second truck approached, but apparently didn't become alarmed when two other drivers at the scene shouted "get out of the way, it won't stop."

"It'll stop," Carter told them only moments before the second truck crushed him.

TWO TOW trucks were needed to separate the two rigs.

Carter was taken to Wayne County General Hospital where he was declared dead on arrival.

The sheriff's patrol found no criminal negligence in the incident.

Herb has preference to warmth

"Nephtytis" or "Synonium," sometimes called Arrowhead, are herbs with papery leaves shaped like an arrowhead. The leaves grow from the upper surface of an underground stem, and the roots grow from the lower side.

The arrowhead plant prefers warm temperatures, 62 to 65 degrees at night rising to 80 to 85 degrees during the day, according to Michigan State University horticulturists. However, it will thrive in normal household conditions.

It should be kept away from the direct sun. Plant placement near an east window is ideal.

Use a moderately loamy soil rich in humus or peat moss. Fertilize once a month.

PUBLIC NOTICE OPPORTUNITY FOR HEARING

All interested persons are hereby advised that the Wayne County Road Commission is proposing the improvement of Goddard Extension between Rogell Drive and Middle Belt Road. The proposed improvement includes the widening and resurfacing of the existing road, providing a passing lane at the entrance ramp to Rogell Drive, and providing better roadside control.

Information concerning this proposed project, including preliminary plans and an evaluation of the social, economic, and environmental aspects of the project, is available for public review at the Wayne County Road Commission offices located at 415 Clifford Street, Detroit, Michigan 48226. Questions concerning this proposed project should be directed to the Planning Division, Wayne County Road Commission, telephone number 962-5700 extension 440.

The project is proposed to receive Federal-aid, and under provisions of Federal law, any person who would be affected by the proposed improvement may request, in writing, that a formal hearing be held concerning the social, economic, and environmental effects of this project. Such a request should be mailed to Mr. Robert A. Larson, Director of Transportation Programs, Wayne County Road Commission, 415 Clifford Street, Detroit, Michigan 48226. This request must be received on or before May 30, 1974.

Van Buren board okays equipment purchases

New expenditures, totaling \$5,594, have been approved by the Van Buren Township Board of Trustees.

The trustees last week approved the purchase of office equipment, drapes and carpeting for the new clerk's

office. The equipment will cost \$2,500. The board also approved the purchase of a lawnmower tractor at a cost of \$504.

A contract bid for landscaping around the new township hall's meeting room,

submitted by Bentley's Nursery of Van Buren Township also was approved by the trustees.

THE LANDSCAPING project will cost the township \$2,590.

Van Buren Township Supervisor G. Elton Gollwitzer said at the meeting that he was looking into other means of getting the township roads chlorided. The work usually is performed by the Wayne County Road Com-

mission.

The township board agreed that other means should be investigated. If no cheaper means can be found, the administration should retain the road commission, the board said.

In other matters, the township trustees voted to permit the City of Riverview to join the Downriver Sewage

Disposal System.

VAN BUREN Township is one of 12 communities who are members of the sewer system. An amendment to the

Downriver Sewage Disposal System agreement to allow the City of Riverview's participation also was approved by the trustees.

Historical tour includes homes

The first historical home tour of the Belleville area will be held June 2, under the sponsorship of "The Number," Belleville's crisis-counseling center.

The four-hour tour, which will begin at 2 p.m. at the Fred C. Fisher Library, 167 Fourth St., is by reservation only.

Reservations for the \$2 per person tickets can be made by calling Cathy Horste at 699-7968. There will be no tickets sold at the door.

THE TOUR'S sponsors will provide refreshments and transportation to the various landmark homes, most of

which are more than 100-years-old.

Included in the tour are two centennial homes, the McKenzie Centennial Home, 8705 Whittaker Rd., and the Robson Centennial Farm, 44804 Tyler Rd., both in Van Buren Township.

Other homes to be visited on the tour include the home of Andrew R. Thom at 368 N. Liberty St., Belleville. The home was built in 1853 with timber taken from Belleville Lake.

The Thurston R. Jahr home at 45281 Harmony Lane, reportedly built by Henry Ford for one of his executives

and where Charles Lindbergh once resided, also will be visited.

ALSO INCLUDED IN the tour will be the home of Thomas R. Scothorn at 42560 Huron River Dr., which was built more than 100 years ago.

The tour will include stops at gardens sponsored by the Huron Valley Garden Club and the Van Buren Garden Club, where the luncheon will be served.

A visit to the old Van Buren Township Hall, located at Main and Fourth streets, to inspect the jail in the basement also is part of the tour.

Booklet posts developments

The Wayne County Office for Industrial and Commercial Development has updated its booklet on industrial parks in Wayne County.

The 108-page booklet contains information for realtors, developers and governmental agencies. The booklet also provides a map of each industrial park, as well as a location map indicating their general location.

The data on each park includes size, zoning, proximity to airports, railroad

availability, utilities, taxes, road access, fire insurance class and selling price where available. The data also contains the person to contact for further information.

A copy of the booklet, "Industrial Parks," can be obtained free of charge by writing to Richard L. Szele, Wayne County Office for Industrial and Commercial Development, Suite 200, Veterans Memorial Building, 151 West Jefferson Ave., Detroit 48226, or by calling Jerry Webster at 224-5014.

Watershed panel holds informational meeting

The Huron River Watershed Council will hold its annual meeting at 7:30 p.m. May 22 at the Ypsilanti Civic Center, 72000 S. Huron River Dr., Ypsilanti.

The meeting is open to the public. All interested and concerned community officials and residents of the Huron River basin are invited to attend.

The session will begin with a

short business meeting, reviewing the year's activities and on-going council programs. New officers also will be elected during the meeting.

A major portion of the agenda will be taken up with an informational program, entitled "Recreational Use of The Huron River: Who Are the 'suppliers' 'And What Are the Opportunities'?"

Owen supports bill

State Rep. Gary Owen (D-22nd District) has come out in support of a bill which would reform the state's present rape laws.

Prepared by the Michigan Women's Task Force on Rape, the bill would provide for an

effective law to facilitate the prosecution of rape cases and a reduction in harassment and abuse of victims.

This law reform would not by any means end all harassment and humiliation of rape victims.

Seligman & Associates

What you do first.

Let's assume you can qualify and are approved for a mortgage on the condominium you want at Woodbury Green . . . and you can come up with a couple of hundred dollars. You can then move in right away and start making regular monthly payments of \$232.50 a month.*

What we do next.

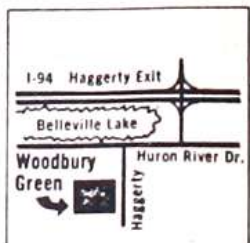

We will credit each of your monthly payments* until there's enough for a down payment — as little as 5% of your purchase price at the lowest conventional mortgage rates available. Then, you take title to your condominium home, simply and easily as that. All the while you've been living in your Woodbury Green townhouse, enjoying the pool and the clubhouse and Belleville Lake and nearby Lower Huron Metro Park.

What you do now.

Come see the condominium townhouses at Woodbury Green. Check the features: 2 bedrooms, 1 1/2 baths, Whirlpool kitchen, central air-conditioning and more, and compare the value. Then ask our sales representative to do the figuring — and find out how easily you can move in at Woodbury Green.
